EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tadd Wilson, Registration no. 54,544 on 6/6/07.

The application has been amended as follows:

Allowable Subject Matter

Claims 1-7, 9-10 and 12-18 (renumbered 1-16) are allowed.

The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination does not fairly suggest the claimed invention of retrieving a resource of program code from a source of program code and placing in resource in secure cache. Specifically, claims 1, 6 and 12 are directed to installing user profile into computer system to operate based on user profile rather than the computer system profile, impersonating

by the computer system the user profile at the first source, testing the computer system's access to the resource based on a user's profile and resource is read to the secure cache writing the resource to the secure cache of the computer system. Prior art teaches installing program in a fault tolerant manner and directs user to download program from predetermined web site and silent on to install user profile into computer system to operate based on user profile rather than the computer system profile, impersonating by the computer system the user profile at the first source, testing the computer system's access to the resource based on a user's profile and resource is read to the secure cache writing the resource to the secure cache of the computer system. Therefore, claimed invention improves on program code installation files, using the files for updates and repairs, and controlling the downloading of setup, updates, and error reports.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
